

DDI Hackathon Application Form

Introduction

We're excited to launch the Open Call for Applications for the [Digital Democracy Hackathon](#)

[Metamorphosis Foundation](#) and the [Civic Literacy Initiative](#) are partnering with [CIVICUS](#) to host this hackathon in our region, joining a global series of hackathons organized as part of the [Digital Democracy Initiative \(DDI\)](#), a worldwide effort to support civil society in strengthening civic space and promoting inclusive democracy.

Are you part of a civil society organization or an activist team working on digital innovation for civic participation?

Are you based in one of the following countries in Eastern Europe and Central Asia: Albania, Armenia, Bosnia and Herzegovina, Georgia, Kazakhstan, Kyrgyzstan, Kosovo, Moldova, Montenegro, North Macedonia, Serbia, Ukraine or Turkey?

This is your chance to turn your idea into action!

Section 1: About you and your organization

Question #	Question type	required?
1.1	Short answer	Yes

Question	Please share the email address you would like us to use to contact you.
Answers	[short answer]

Question #	Question type	required?
1.2	Short answer	Yes

Question	How would you like to be called?
Answers	[short answer]

Question #	Question type	required?
1.3	Single select	Yes

Question	In which country do you currently live/reside?
